After Hurricane Harvey
by Bill Baldwin, HHA President

First, I want to start by saying I hope you and your loved ones fared better during Hurricane Harvey than many of our neighbors around Houston and the surrounding region.

While the widespread devastation to our city has been heartbreaking to see, the incredible outpouring of community and servant leadership brought about by Harvey has been quite inspiring and reassuring. There has been such an enormous spirit of love and service demonstrated by so many ever since the storm first hit, and I trust it will continue. As we’ve seen all over the Heights and the city as a whole, in times like these an inordinate number of people ask the question “what can I do to help?” and that makes me proud to call this neighborhood and city home.

2017 Bicycle Rally & Scavenger Hunt

The one and the only original Heights Bicycle Rally & Scavenger Hunt will be what’s happening at Marmion Park located at Heights Blvd and 18th on Sunday, October 1.

This is not a race and is open to riders of all ages. The Rally & Scavenger Hunt is designed as a casual, self-paced ride. Choose between a 20-mile course through the Heights and surrounding neighborhoods or a shorter 5-mile ride designed for children and their adult companions — or do both.

MONTHLY MEETING & HAPPY HOUR

Meet new neighbors and friends on the second Monday of the month at the Houston Heights Fire Station, 12th at Yale. The socializing starts at 6:30 PM; the meeting begins at 7:00 PM.

September 11: Take the High Road in the Greater Heights — walk, run, bike, drive or ride!

Please join us for an interactive presentation by researchers at the Texas A&M Transportation Institute on how drivers, bicyclists, and pedestrians can all be safer on the road together. David Hagy of Texas Central Partners, LLC will share details about the high speed rail project between Dallas and Houston. Get the latest update on the Bicycle Rally.

This is the meeting at which the floor will be opened for nominations to the Board of Directors. See pages 4 and 5.

Historic District Design Guidelines Notes

Proposed Guidelines Updated; Second Public Meeting Scheduled

After Hurricane Harvey from page 1

The recovery process is set to be a long one, so I hope you’ll plan on making service a regular part of your post-Harvey life. If you were fortunate enough to make out better than most Houstonians, be thankful and turn your gratitude into action. In the Heights, we pride ourselves on our tight-knit sense of community, and at a time like this, that’s more important than ever, so I ask that you be there for your Heights neighbor in need and that we help those who flooded in the areas around us get back on their feet. There are so many ways to help in the aftermath of Harvey, whether that’s serving, donating, fundraising, or even something as simple as getting back to supporting our local restaurants and shops again.

In closing, while so many have answered the call in the aftermath of Harvey, it doesn’t have to take a hurricane for us to want to get involved and help out. There are ways to stay connected with our community all the time, and for Houston Heights residents, the HHA presents a phenomenal way to stay involved in and contribute to your Heights community year-round.

Director Election Schedule

Five of the fifteen positions on the HHA Board of Directors will be filled by election over the next few months. All five positions are open due to normal expiration of terms. The five nominees receiving the highest numbers of votes will serve three-year terms. See the right column for a list of current Directors.

The schedule for the election of Directors to serve terms starting in 2018 will be as follows, in accordance with the By-Laws and Policies of the Association.

- September 11 at the General Meeting, the floor will be opened for nominations to the Board of Directors. Nominators and nominees must be current members of the Association. Nominators may speak for two minutes. Please be sure before you nominate someone that your nominee will commit to serve. Individuals may not nominate themselves, nor may nominees speak on their own behalf at this meeting. Seconding speeches are no longer necessary.
- By September 13, the Election Committee will distribute election packets to all nominees containing bylaws, policies, articles of incorporation, committee responsibility list, detailed election schedule, and a statement confirming that the nominee has read the bylaws and policies and agrees to serve in accordance with them if elected.
- By 5:00 PM on the Friday following the General Meeting (September 15), signed statements from nominees are due, as well as a 50-word (maximum) statement from each nominee for publication in the October newsletter and on the website. Statements longer than 50 words (as counted by Microsoft Word) will be truncated after the fiftieth word when published.
- October 9 at the General Meeting, nominees or their representatives may speak on their qualifications for three minutes. They will also draw for ballot positions at the beginning of the meeting.
- By the Friday following the General Meeting (October 13), the Election Committee will mail a ballot with a control number to each member in good standing whose dues are currently paid as of October 1. (Members invoiced by August 15 and not paid by October 1 are deemed not in good standing.)
- Ballots must be received by November 11, at the close of the U.S. Post Office, with control numbers intact.
- November 13, before the General Meeting, polls will be open for secret balloting in person from 6:00 PM to 7:00 PM sharp. The Election Committee will tabulate ballots and announce the results during the meeting. The results will also be published in the December newsletter.

Due to the havoc caused by Harvey, the Heights Garden Club has cancelled the September Garden Tour. We hope to get back to our regular schedules soon.

Hope your gardens are doing well!

September Yard of the Month: 204 E. 25th St

When Sasha & Lance Grover began considering the design of their yard, they wanted to make sure they incorporated a lot of color and flowers, similar to that of an English cottage garden. Ravenscourt Landscaping & Design helped narrow their focus on plants that would be resilient to the Texas heat, while still achieving the lush “secret garden” aesthetic they desired. They have enjoyed watching the butterflies flutter around the Echinacea and always have quite a few bees enjoying the African basil. One of their favorite parts of the project is the vertical garden that hangs on the fence. Ravenscourt designed and built the structure, and the Grovers have been using it for herbs, peppers, and smaller flowers. They also really like the vines that were placed between their back deck and carport. Sasha and Lance say the landscaping that was designed and installed by Ravenscourt has really put the finishing touch on their house.

Thank you to Joshua’s for providing the gift certificate for September yard of the month.

Joan Edith Peterson Boote
April 12, 1929 – August 07, 2017

We note with sadness the passing of Joan Boote last month. She chaired the HHA Restoration and Historical Committees for several years and helped establish the place of homeowners in the Association. She was named Citizen of the Year for 1986 for her numerous activities and accomplishments in the community.

Joan championed Houston Heights, its history, and its historic preservation. As a local real estate agent and broker, she helped many new families find homes in the Heights (including your Editor and Assistant Editor). After she retired from real estate, she became an award-winning artist and portrait painter.

Joan will be deeply missed by all of those who were lucky enough to know her.

Reading Tutors Needed
Are you looking for something to do with your Tuesday or Wednesday mornings between 8:15 and 10:00 AM during the school year? Do you want to give back to the community? Well, there is something you can do with your time that is both rewarding and beneficial to others.

Joyce Worthington is looking for volunteers to tutor first-graders who need additional help in reading at Harvard Elementary here in Houston Heights. The “Project Read” program provides all instructional materials for the tutors. If you are interested and can commit to tutoring one morning per week, please contact Joyce at 713-862-4647 or joyceworth@aol.com.

Rice Lecture to Feature Houston Heights
Houston Heights historian and author Anne Sloan will give one of the sessions of “City in a City: Community Identity and Houston’s Sprawl” at Rice University’s Glasscock School of Continuing Studies.

The course description says, “In its early days, Houston was a compact city surrounded by other communities, each with its own distinct history and identity. But as the Bayou City began to spread across the coastal plain in the 20th century, the landscape changed. Some of the neighboring towns were swallowed up by annexation, others took measures to remain independent, and some communities were developed specifically to set themselves apart from ever-expanding Houston. This course explores a selection of towns and developments that have become ‘cities in a city,’ including Southside Place and Bellaire as well as historic Harrisburg and Houston Heights, both of which were annexed into Houston. We’ll also examine River Oaks, a neighborhood that was never an independent city itself, but developed a distinct identity thanks to careful planning and marketing.”

Visit http://glasscock.rice.edu and search for “City in a City” for more information or to register.

Houston Heights Woman’s Club’s Open House
The Houston Heights Woman’s Club is hosting an Open House on Saturday, September 16 from 10:00 AM to 2:00 PM. They welcome all of their Heights friends and neighbors to learn more about the organization and tour their historic clubhouse.

The HHWC Clubhouse at 1846 Harvard is listed on the Register of Historical Places by the Texas Historical Commission and considered one of the most important cultural institutions in Houston Heights. It also serves as a charming and intimate event rental.

The membership ensures the continued maintenance and preservation of the 100-year-old clubhouse while engaging in social activities and volunteer opportunities in support of charitable causes. Community outreach programs include a uniform drive for Heights-area schools, women’s studies development, a reading program for elementary schools, and the Hortense Ward Scholarship Fund. HHWC social activities include a Witches Luncheon, a Victorian Tea, a Literary Club, Art & Crafts, themed happy hours, and EpiCurious events.

Bring a friend or your entire family, but please no pets. Light refreshments will be served. No need to dress up; this is a come-as-you-are event.
