2019 Community Improvement Awards

The Community Improvement Awards program is sponsored by the Houston Heights Association. The awards are given to recognize residential and commercial restoration, renovation, and new construction efforts that serve as models to the community and to encourage similar restoration, renovation, and development.

The four categories of Community Improvement Awards are Residential Restoration or Renovation, Commercial Restoration or Renovation, New Residential Construction, and New Commercial Construction.

Eligibility and Judging Criteria for Residential Restoration or Renovation

1) Any residential restoration or renovation project completed within the past three years (2017-2019) and located in the area shown on the map is eligible. (The area is defined in the by-laws of the Houston Heights Association.)
2) The project must have received a City of Houston building permit, except where one was not required (such as in the case of cosmetic repairs).
3) Entries will be judged on built features sympathetic to the character of the neighborhood. These include such features as building scale, massing, proportions, setbacks, landscaping, and architectural elements.

Eligibility and Judging Criteria for Commercial Restoration or Renovation

1) Any commercial restoration or renovation project completed within the past three years (2017-2019) and located in the area shown on the map is eligible. (The area is defined in the by-laws of the Houston Heights Association.)
2) The project must have received a City of Houston building permit, except where one was not required (such as in the case of cosmetic repairs). It must also bear a City of Houston certificate of occupancy.
3) Entries will be judged on their visual, environmental, and/or economic contributions to the community.

Eligibility and Judging Criteria for New Construction, Residential or Commercial

1) Any new residential or commercial construction project completed within the past three years (2017-2019) and located in the area shown on the map is eligible. (The area is defined in the by-laws of the Houston Heights Association.)
2) The project must have received a City of Houston building permit. Commercial projects must also bear a City of Houston certificate of occupancy.
3) Entries will be judged on built features sympathetic to the character of the neighborhood. These include such features as building scale, massing, proportions, setbacks, landscaping, and architectural features. Commercial entries will be judged on their visual, environmental, and/or economic contributions to the community.

Nomination Procedures

1) Determine that the property fits within the guidelines listed above.
2) Complete the entry form on the next page.
3) Before and after photographs are very helpful in the judging process. Please email photos to awards@houstonheights.org with this form or separately; please include the address of the property.
4) Nominations must be received on or before January 18, 2020. Mail or deliver in a sealed envelope to the Houston Heights Fire Station or email to awards@houstonheights.org. Nominations may also be submitted online; see www.houstonheights.org/about/community
5) The winners will be selected by a panel of judges.
6) Decisions on the number of awards granted and whether to grant an award in every category is at the sole discretion of the judges, whose decisions are final.
7) Winners will be announced at the HHA annual Awards Dinner on February 9, 2020 at the Houston Heights City Hall & Fire Station, 107 W. 12th Street at Yale.
