SPONSORSHIP PLAN

The Houston Heights Association (HHA) is a 501(c)(3) organization which receives yearly audits of its financial records, along with tax and risk advisory services, by a highly respected CPA firm that specializes in nonprofit organizations. The HHA promotes several major events throughout each year along with other activities. Our events are organized in a professional manner, are extremely well attended, and receive extensive amounts of publicity and community awareness. Proceeds from these events are used to maintain Marmion and Donovan Parks on Heights Boulevard, and to build, plant, and/or maintain jogging trails, flowerbeds, gazebos, sprinkler systems, the rose garden, the brick entrance, water fountains, and hundreds of trees on the Boulevard esplanade. In 2009, the HHA proudly purchased the historic Houston Heights City Hall & Fire Station at 12th Street and Yale to ensure its continued role as the heartbeat of civic activities, and to maintain its important historic significance for the neighborhood. This historic structure recently underwent a meticulous renovation. In addition, the HHA also supports the local business community.

You can help your community and raise awareness for your business by participating in one of these sponsorship categories:
